

**“Titan” Magazine Release for Ruger® PC Carbine™
Installation Instructions**

V1.0

www.tandemkross.com

For more info or support contact CustomerService@tandemkross.com

Attention:

Before you begin, be certain that the magazine is clear and safe.

Tools required: 5/64” allen wrench for removing cap screw in nylon magazine release button.

Remove the cap screw and the original magazine release button.

Install “Titan” Extended Magazine Release button into counterbore.

Apply thread locking compound to cap screw thread and install into the release button.

Tighten cap screw to 15 in*lbs per Ruger Instruction Manual.
