For more info or support contact [CustomerService@tandemkross.com](mailto:CustomerService@tandemkross.com)

## Attention:

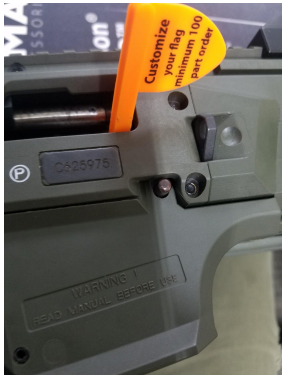

**Before you begin, be certain that the magazine is removed and the chamber is clear.**

*You will need a 5/32" punch (ideally a roll pin punch)*

1. Lock the bolt in the retracted position.

2. Identify the takedown captured pin. Push from the right side to the left side of firearm.  
Remove the trigger sub-assembly

3. Push out magazine release roll pin with punch. Be careful to not lose the compression spring.

4. Install the new magazine release and stock compression spring in trigger sub-assembly. Compress the spring to align the hole in the magazine release with the hole in frame. Install the roll pin.

5. Reinstall the trigger sub-assembly in firearm and you have completed the installation! Enjoy your new Tandemkross Titan Extended Magazine Release.
